Internal Issues

Jose Network stations broadcasts the following: El show de Alex, el Genio Lucas which airs from 4-9:59 am Monday through Friday and Saturdays from 6-9:59 am. The show is very family oriented, which makes it one of the most listened morning shows in radio. Luz Maria Briseño, certified nutritionist airs from 11-11:59 am on Jose Network, and from 12-12:59 pm for our Jose KLYY market.

During the last 3 months, we had a couple of important changes, which include the merging of two stations in one. On July 28, 2014 Jose became 97.5 and 103.1 fm, still covering the Los Angeles, San Fernando Valley and Riverside area. All commercial spots (which are all the same) now run on both frequencies, where as before, both frequencies ran different commercial spots. On July 13, 2014 we ended our FIFA World Cup Brasil 2014 special programming, which consisted of a two hour special of Futbol de Primera (FDP) from 6:30 to 8:30 am Monday through Friday. This is the biggest single-event sporting competition in the world, which lasts 1 month. On the month of August, we had our yearly Children's Miracle Network Radiothon. It took place on August 21-23 and we successfully raised 2,119,000 million dollars. That is more than what we raised last year. There were a couple of changes within our programming staff as well. Ana Ortega, who was part of our programming department, working as a part time board operator, left the department on August 23, 2014. She is currently working for the accounting department, for Entravision Solutions.
